

**Question:--Suppose you have been waiting for a piece of good news. Write a paragraph in about 8 words on your experience of waiting.**

Hints:-the news you waited for-- what you did while waiting-- whether the news had come-- your feelings.

Answer:--I took part in a state level drawing competition. I do well enough. So I was waiting for the result of that drawing. On the day of the result out I was very restless. I was also very anxious. At last the good news come to me through my elder brother that I became second in the competition. I was very very glad for my result .Everybody of my family praised of me and I became very happy.
